

Faith Kids News

August 2015

“Everest” VBS is off to a great start over at Christ the King. Starting on Monday the 20th we learned about how God provides for us as he provided for Elijah (1 Kings 17) and gives us His mighty power for all the challenges we face! Kids sang about God’s strength, made their own snow and played *ice* breaker games.

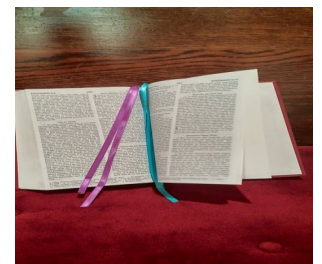

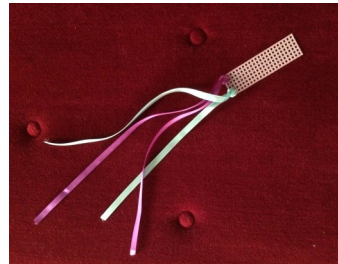

Every time the kids heard “God provides” everyone would shout **HOLD ON!** Whether you are nine or ninety-nine it is always a great reminder that no matter what the challenges that come our way we can hold fast to God’s mighty power.

Throughout the rest of the week we learned that God has the power to Comfort as he comforted Elijah in his troubles (1 Kings 19) . The Power to Heal as He heals the brokenhearted and bandages their wounds (Psalm 147:3). The Power to Forgive as Jesus died on the Cross for us (Luke 22:31, 24:12), and the Power to Love us Forever as God has promised us an eternal home through Jesus (John 14:1-3).

Thank you to all the of those who volunteered their time to VBS to ensure a great experience for all the kids!

Club 218 is going strong! Every week the kids take part in a service project for the church or community. On July 8th the kids wrote thank you letters and made “goodie” bags for our local police officers. They even hand delivered the bags to the police station. July 15th the kids helped create new bookmarks for all the pew bibles in the sanctuary. They turned out beautifully and we hope they are used often for years to come!

The new basketball hoop was a big hit with all ages. Thank you to adult and youth volunteers for being flexible and filling in where needed over the weeks.
