GROWING DIVINE CHAOS

The title is meant to get your attention so that you will want to read on. The title is related to the many challenges before us – all of which are positive and exciting to me! But before I get to that, let me be clear about what I *don't* mean.

I don't imagine that many of us think of chaos as a good thing. Webster's Dictionary surely doesn't describe it that way ("utter confusion"). And even if we turn to the Bible, the message of the whole first chapter of Genesis is about God bringing *order out of chaos*. So if a title like "Growing Divine Chaos" means that is the state of the congregation, this would not be a good thing. That is not what I mean to convey.

"*Growing Divine Chaos*" could also convey another sense. With the emphasis on *growing*, one could conclude that we are somehow *nurturing and cultivating* chaos in the same way one helps a plant grow. But again, why would anyone intentionally *grow* confusion? And God does not need our assistance in growing anything! I don't mean to convey this, either.

There is another kind of "chaos" that *is* a part of a

Common Cup Update

Did you know that, because of the prayer support and increased giving from 40 Weeks of Faithfulness combined with spending reductions:

*Faith Lutheran has made it through nearly half this year without any option to extend the line of credit? By this time last year, we had borrowed \$8,000 and in 2007, we had borrowed \$39,000!

*At one point in 2009, offerings to Faith Lutheran had fallen \$30,000 behind 2008, but they have now drawn even to last year, in spite of the economic downturn?

*Offerings for the *first two weeks* of June 2009 were equal to the *entire month* of June 2008?

*Faith has maintained a reduced schedule of mission giving through April, 2009 and hopes to fund all of its mission commitments by the end of the year?

Through the abundant blessing of God and the faithful commitment of many members of Faith, our financial situation is beginning to turn around. However, we still have a long way to go. Even a small increase in weekly giving from more of our members could assure not only that Faith would end 2009 in the black, but it could also mean reducing the \$147,000 we still carry on our line of credit.

Can you imagine what a new beginning it would be for Faith Lutheran Church to begin 2010 without any operating debt? It's a goal within our reach as we continue to trust in God who provides all we need for life and salvation.

Biblical theme and gets closer to what I am talking about. The powerful and chaotic story of Pentecost in Acts 2 caught everyone by surprise. As the early church grew and formed, there was much confusion about what it all meant; about what one believes; about Gentiles; about the people of Israel; about what food is clean and unclean; about who is saved, etc. It was a defining moment. And this kind of chaos can't be stopped. When the Holy Spirit came upon the people of God in a powerful way, there was no stopping the change and chaos and confusion that ultimately ignited a passion for the Gospel of our Lord Jesus in a way like none other.

It is this kind of "chaos" that gets us closer to what Faith Lutheran is experiencing. We are experiencing a defining moment as a congregation. A better title for this article may be "Growing *IN* Divine Chaos" or "Growing *WITH* Divine Chaos."

I write this article on the day after our June council meeting. The agenda items I reference below will give you a sense of what I mean. We have so many challenging and exciting ministry opportunities before us. These are not things we *grew* (went looking for) and no one seeks *chaos* (especially according to Webster's – "utter confusion"). But if this is a *Divine* chaos (something GOD is bringing), we can only try to meet it all with boldness, gratitude, confidence and peace. Here's a sampling of the things before us:

- * Continuing the "40 Weeks of Faithfulness" renewal effort through 2009.
- * Long Range Planning proposals that include outreach plans for our new building, our relationship to the ELCA, and our use of technology to spread the Gospel.
- * A formal relationship with the *Institute of Lutheran Theology (ILT)* that will allow us to have regular and close access to the teaching and preaching of Dr. Jim Nestingen, one of the greatest Lutheran teachers of our time.
- * Restructuring and Governance proposals designed to increase lay leadership opportunities.
- * A new worship schedule (including a switch to an 8:00 a.m. service) and new

educational opportunities.

- * An upcoming special congregational meeting to discuss and explain some of this exciting "divine chaos."

And to top it all off, all of this is happening while we watch our new building addition go up!

"Divine Chaos" – It's growing before our eyes! Messy? Yes! Challenging? For sure! But what an exciting time to be a part of Faith Lutheran Church!

In Christ,

Pastor Randy Freund

Where should I park?

As you can see, the surface of the church parking lot has been removed and the well-drilling for the Geothermal Heating has begun. It will take the majority of the summer to complete the well-drilling and resurfacing of the parking lot.

Until the parking lot is completed, following are parking options:

- ⇒ Municipal Parking lot by MidCountry Bank
- ⇒ First Minnesota Bank Parking Lot
- ⇒ Family Rexall Parking Lot
- ⇒ Hutchinson Telephone Co. Parking Lot
- ⇒ Curbside street parking

Faith Lutheran volunteers are providing a shuttle service from the above locations to the door of the church for the 8:30 a.m. Sunday Worship services. Signs will be in the windows of the vehicles providing this service.

Handicap parking is available on the South side of the church on 4th Avenue.

Thank you for your patience and understanding during this time.

Back to School Supply Drive 2009

For many parents and children, the thought of going back to school in the fall is not a pleasant one. Many dread the return because of the added pressure of not having the right clothes to wear, not having the nifty new hair cut, and not having all the required school supplies that are on the list. Common Cup Ministry and the Salvation Army would like to make going back to school easier for some of these children and need your help. Please consider a financial donation or donating some, or all of the items listed here. You can drop them off at Faith on Main or Faith on Grove by August 17. Cash donations will be used to purchase supplies not donated. The dates of distribution of the backpacks and supplies will be August 26, 5:00 - 8:00 p.m., and August 27, 9:00 a.m. - 12:00 p.m. at St. Anastasia School gym in Hutchinson and First Lutheran Church in Glencoe

Faith kids

We had a great time at Vacation Bible School with the 3 year olds – Kindergarteners! We learned about super heroes from the Bible as we trained to be super heroes just like them! Moses, Jesus, David, and Samson taught us that God gives us gifts, courage, faith, and love to help and serve the people around us. On the last day we went to Burns Manor to sing for the residents and handed out cards that we decorated for them earlier in the week.

There is still time to register for Vacation Bible School for completed 1st -5th graders!
