#### Making the Best of our Situation

*In an effort to continue programming as if we aren't in the middle of a huge construction project, Faith Lutheran staff has come up with creative ways to "fit" everything and everyone in during the Sunday morning 9:15 - 10:15 a.m. Sunday School hour as best possible. Here is the plan:*

- |                                   |  |
|-----------------------------------|--|
| <b>3-year olds - Kindergarten</b> | Meet in classrooms at Faith on Main in South Fellowship Hall.  |
| <b>1st - 6th Graders</b>          | Meet for music in the Sanctuary the first 15 minutes of the Faith Praise worship service; then to respective classrooms at FLC North for the remainder of the hour                                       |
| <b>7th - 8th Graders</b>          | As in the past, 7th & 8th graders will meet at Faith on Grove on Sunday mornings   |
| <b>Adults</b>                     | Various educational opportunities will be offered at the American Legion building across 3rd Avenue to the North. Watch for traditional adult forum topics, parenting sessions, and other coffee topics. |
