Small group faith building sessions

FaithLife Camp

Faith Lutheran's mission statement is Building FAITH. At FaithLife Camp, that's exactly what we do. Come to FaithLife Camp this summer to get away from your everyday routine and spend time with God, with your family, and with other members of your congregation. Camp will once again be at the beautiful Mount Carmel on Lake Carlos in Alexandria, Minnesota. They have great food and lodging options available, so you'll be comfortable away from home.

Program:

We are excited to welcome Rev. Steven King as our guest leader for the weekend. Rev. King is an engaging speaker and friend to Faith Lutheran. He is a pastor in Maple Lake, Minnesota, and the editor at Sola Publishing, which produces materials for LCMC churches like Faith Lutheran. This year's program will ask us to think about faith in terms of simplicity in living. Through large group and small group sessions, we will look at the gift of simplicity, and focus on the Sabbath as a pattern for faith and life. There will be age-appropriate learning opportunities for children.
