Ministry Highlight of the Month: 56er's

Wednesdays from 3:30 - 5:00 p.m.

5th and 6th grade students come to Faith after school on Wednesdays to hang out with friends, play games and study God's Word. We have a blast playing dodgeball against the confirmation students! When we are not playing cool games, we are digging into the Bible through large group lessons, worship or small group discussions.

Fun fact: About half of the students attend a church other than Faith Lutheran, which shows that all are welcome!

How can you participate? We are always looking for people to donate snacks, serve at snack time, or lead a small group. If you are able to serve in these ways, contact Laura Weikle.
