

Instructions

Each week there will be one or two stories from the Beginners Bible for your child to read (or have read to them) as many times as you would like. You can check your reading off on your reading list. Then on Sunday, when you come to church and Sunday School, your child can put a sticker on the Bibleopoly Board, on the book of the Bible that was listed for that week. These children will use the YELLOW DOT stickers, found on the side of the Bibleopoly Board, to mark their readings so we can see how many children are participating.

Children of ALL ages can participate in Bibleopoly! Moms and Dads, Grandmas and Grandpas – you can help your children and grandchildren who are 3 years old through 2nd grade with this Reading Plan. It is designed just for them and their Beginner’s Bible’s. If your child does not have a copy of the Beginner’s Bible and would like to participate, please contact the church office for a copy.
