

## Our Lord's Call to Feed the Hungry

Our Lord Declares:  
“...As you did it unto one of the least of these, who are members of My family, you did it unto me.” Matt. 25:40

November is Faith Lutheran Church's annual hunger appeal. Out of our abundance we are called to give generously that others may

not go to bed hungry. This year, as in past years, we invite one another not only to reach our minimum goal of \$5,000 in this appeal, but to give freely to go well beyond this goal.

We once again will work with trusted partners locally, nationally, and internationally to see that people who face the need for food will be fed. It is important that the funds we give go not to administration but to meet the actual needs of hungry children of God.

In 2018, the Church in the World Team proposes the following disbursement of funds given:

- 40% to Common Cup Ministries in Hutchinson and McLeod County
- 40% through NHMS to help our Southern India partners feed desperately poor community members devastated by the recent flood and extreme poverty. *(See picture above)*
- 20% to assist trusted partners in addressing the hunger needs related to recent devastating hurricanes in this country.
