

## SCRIP MAKES A GREAT CHRISTMAS GIFT!

SCRIP is a national program which allows non-profit organizations to purchase gift certificates from national and local retailers at a discounted rate. (The rate of discount is determined by the individual retailers and varies from 2% to 20%.) The non-profit groups then sell the gift certificates to their members at face value.

**You always receive full value** for your money. If you buy \$25 in SCRIP you receive a certificate good for \$25 worth of merchandise or service at the individual retailer of your choice.

**The difference between the discounted rate the church pays for the SCRIP and the face value for which the SCRIP is sold to you is received by Faith Lutheran and is currently used to help support the Mugs & Muffins and Men of Faith programs.** No one sale generates a large profit. Volume of sales is the key to success for the SCRIP program. The more people who participate, the greater the benefits. We have a limited number of select cards available, but new orders can be placed each week. If you are interested in purchasing SCRIP to use for your daily purchases or for Christmas gifts, order forms are available on the back of this page, in the office, or you can go on-line to see the complete list of participating retailers and to place an order.
