

Instructions

Each week there will be one or two stories from each book of the Bible and will include the Sunday School curriculum for you to read (or have read to you). Then you can check the reading off on the reading list. The next Sunday, when you come to church and Sunday School, you can put a sticker on the Bibleopoly Board, on the book of the Bible that coincides with the reading for that week. This age group will use the ORANGE DOT stickers, found on the side of the Bibleopoly Boards, to mark their readings so we can see how many children are participating in this plan.

Children of ALL ages can participate in Bibleopoly! Moms and Dads, Grandmas and Grandpas – you can help your children and grandchildren who are 2nd - 6th grade by encouraging them to read along with this Reading Plan. It is designed just for them and is based off of the three-year Sunday School curriculum. If you, or your child does not have a copy of the Hands-On Bible and would like one to participate, please contact the church office for a copy.
