Valentine's Dinner

Join us Sunday, February 16 at 5:00 for our annual mission trip fundraiser celebrating Valentine's Day. Tickets will be on sale starting at the end of January until the week before the event!

Pastor Dave and I recently returned from a mission trip with our college students to Costa Rica. This trip was transformative for all of us on the team and it taught us a few lessons along the way. One of the things we struggled with during our time there was the incredible language barrier that was placed before us. We struggled to have even simple conversations and we didn't know what to say. Even this revealed Jesus to me. A lot of the time, I struggle to find the words for when I go to the Father. But I am thankful that I have the Holy Spirit who intercedes and translates for me, just like our host did for us in Costa Rica. We also saw immense poverty in our time there. It looks quite different from here in the states. But there isn't a shortage of joy. The people there are among the kindest people I have met and hospitable as well. Our host, Paul, told us that we truly have everything here in the states. This perspective has changed my heart greatly as I look to be satisfied by the Lord and the joy He gives rather than looking to fleeting material things. This trip transformed us and I hope to be able to share more with you all as the year progresses.
