Digging Deeper Options
Beginning Today @ 9:15

A Manual for Church Life

Already in the New Testament era, the Christian church began to organize and become a more formal institution. Many of those developments still govern church life today. This study will examine the wisdom of I Timothy for how Christ's Church should operate, then and now. Meet with Pastor Scott in the Faith Center.

"The Worst Parents":

Learning what NOT to do from Old Testament parents

We've all been there as parents: you forget to pick up your kid from practice, you feed them fast food four days in a row, you lose your temper over trivial things... And every time it's the same: you think you must be the worst parent ever! Well take heart! After all, have you ever had your kids kill each other? Or sell one another into slavery? Join Pastor Dave as we learn from some Old Testament parents that will make our parenting look spectacular! We'll learn what NOT to do, and encourage one another on what we can do to raise good and faithful kids. Meet in the third floor conference room.

Hymnology:

The Word behind the Words

This class will look at the role of original Danish hymns as an expression of our faith. We will dig deep into hymns on Sunday that will be used in the following Wednesday night services and look at how those words link to Scripture and the Gospel. Meet with Jeff Amundson in the office conference room.

Marriage Encouragement /Date Night with Craig and Ardis Dirksen

Join us for dessert on Friday, March 27, from 7:00-9:00 p.m. in the Faith Center as we share our story and some ideas which may give your marriage a real boost in love and intimacy. God has given this amazing gift of marriage, but there is little encouragement for marriages between premarital counseling and the 50th wedding anniversary. This presentation offers that encouragement to couples. Those attending will not be asked to talk or share their feelings or break into small groups. This event is for pre-married and married couples-kids, no kids or empty nesters are welcome. Childcare provided but pre-registration is needed. Sign up in the gathering spaces today!

Faith Facts

Faith Lutheran Church Supports Hutchinson Community!

Before there was a Park Elementary, on the same site, there was the Merrill School. The building was 63 years old in 1975. On Thursday, March 21, a massive fire broke out. That fire was the largest in Hutchinson history in terms of loss at \$2 million. The fire began in an area used for elementary physical education. From there, it spread throughout the building. The east wing, which received the most damage, housed a number of elementary classrooms. Spring break was due to start the following Tuesday but it began early. By the time break was over, the school board had worked with a number of churches in the Hutchinson area, including Faith, to hold classes in their buildings. This is just one way that Faith Lutheran Church has been actively involved in supporting the Hutchinson community.
