Digging Deeper Options
Beginning Today @ 9:15

A Manual for Church Life

Already in the New Testament era, the Christian church began to organize and become a more formal institution. Many of those developments still govern church life today. This study will examine the wisdom of I Timothy for how Christ's Church should operate, then and now. Meet with Pastor Scott in the Faith Center.

"The Worst Parents":

Learning what NOT to do from Old Testament parents

We've all been there as parents: you forget to pick up your kid from practice, you feed them fast food four days in a row, you lose your temper over trivial things... And every time it's the same: you think you must be the worst parent ever! Well take heart! After all, have you ever had your kids kill each other? Or sell one another into slavery? Join Pastor Dave as we learn from some Old Testament parents that will make our parenting look spectacular! We'll learn what NOT to do, and encourage one another on what we can do to raise good and faithful kids. Meet in the third floor conference room.

Hymnology:

The Word behind the Words

This class will look at the role of original Danish hymns as an expression of our faith. We will dig deep into hymns on Sunday that will be used in the following Wednesday night services and look at how those words link to Scripture and the Gospel. Meet with Jeff Amundson in the office conference room.

Faith Facts

Can you name this pastor from Faith Lutheran Church's history?

One way to answer that question is to walk down the hallway to the music room and look at the pictures of the pastors in Faith's history.

If you would like to learn more about the past leadership and history of Faith you can watch a seven part series of videos featuring our own Pastor Scott Grorud on the FLC YouTube channel. There are also links to this series on the Faithlc.com website and Facebook under Faith Lutheran Church - Hutchinson, MN.

Take a little time and dig into the history of this long-standing congregation.
