

Mission Trip Recap 2020

We have just returned from our mission trip to exotic HUTCHINSON, MINNESOTA! What a whirlwind of a trip we had! We started out doing some Minnesota tourism by visiting Duluth, Gooseberry Falls State Park, Itasca State Park, and Hawley. Then we traveled back to Hutchinson, where we were welcomed warmly by our FLYworks staff. We settled in and hit the ground running Monday morning. We painted garages, hung out with kids at Kids Club, landscaped, drew chalk pictures on sidewalks of churches and nursing homes, packaged backpacks, and bought and prayed for supplies for the Blessing Boxes in town and Wings. We wrapped up the week by traveling to Amery, Wisconsin to spend the night at Camp Wapogasset and debrief the trip. All of our eyes have been opened to what needs there are in our community. We are excited for our next trip (to be announced soon)! To all who helped us, thank you! We cannot wait to share more stories with you on Mission Trip Sunday, August 9 during services!

Our mission trip group with our FLYworks staff, adult leaders, and students.
