

CHILDREN & FAMILY

SUNDAY SCHOOL

September 13—May 23

From 9:00 a.m. to 10:00 a.m.

For Preschool through 6th Grade

Similar to school, Sunday School will be hybrid, in person and online. Faith will have in person classes where teachers will wear face shields and/or face masks. Students 5 years or older are also required to wear face masks if attending in person. We are calling on parents to check the health of their child before bringing them to Sunday School. If they or someone in the family is sick the child should remain home.

There will also be an online option. Each week a Family oriented lesson will be sent out via email and the Faith Sunday School Facebook Group. Parents are encouraged to teach their child if they choose to stay home.

To register your child for Sunday School please go to faithlc.com/children-youth/children/ or find a paper copy in the church office.

TEACHERS NEEDED!

We are looking for teachers to teach preschool, K & 1st grade, 2nd & 3rd grade, and 4th & 5th grade. Please help keep our Christian education strong!

Contact our Director of Children and Family Ministry, Laura Weikle, with any questions.

FALL KICK OFF

Sunday, September 13

From 9:00 a.m.—10:00 a.m.

Library Square

To help make this new Sunday School year fun we will be leading our first Sunday School outside, weather permitting.

Families will check in near the library steps and be directed to their Sunday School groups. Teachers will teach out on the lawn or picnic tables. Be sure to bring your own picnic blanket or beach towel to sit on.

Students will have fun rocking out to children's worship music at the Library Square band shelter for our first Faith Rocks worship!

Be sure to join our Sunday School and 56ers Facebook groups!

56ERS

September 16—May 19

2:45 p.m.—5:00 p.m.

The 5th and 6th grade Wednesday after school ministry, 56ers, will continue to run with a few changes. Students will be required to wear masks when indoors.

6th grade students will ride on a bus over to Faith and hangout for the first hour until 5th grade students arrive. Then the afternoon will be filled with games, lessons, and service projects.
