Lenten Confirmation – 2021

During the season of Lent (February 17 – April 3), we have Wednesday services. Each confirmation small group will be in charge of pieces of our services. This includes reading, acolyting, ushering, and being an extra presence during the services.

After each service, small groups will gather to discuss the service. There is no regular confirmation during Lent.

Services will be every Wednesday at 6:30 p.m., with small group to follow until 7:45 p.m. If students are serving that service, they will need to arrive by 6:00 p.m. to check in with their leader and Kristen.
