Want to experience camp but don't want to stay overnight for a full week? Sign up for Day Camp! At Day Camp we will explore how God's light has guided generations of people through times of joy and times of challenge. Even as things around us change, the love and light of God never will! Join your friends as we worship, play games, learn from the Bible and make cool camp crafts!

Registration forms will be available online and in hardcopy at Faith.

Adults Get Involved!

Due to Covid-19 safety protocols, Green Lake Lutheran Ministries will only be sending 4—6 counselors for the week. Please consider volunteering to be extra hands and eyes to keep our children safe and having fun.

The church also has the privilege of hosting the counselors by providing housing for the week and evening dinner. Please let us know if you would like to host the counselors in your home and/or feed them dinner for one of the days.

Contact Laura Stowman with any questions. Thank you!
