

Feeding Body and Soul: Our Hunger Appeal Partners in India

New Hope Mission Society majors in bringing the Good News of Jesus Christ to Muslims in Southern India through the mission led by our long standing partners there, Pastor K. K. Alavi and his son, Dr. Abdul Messiah. Feeding the soul is the center, but sharing the love of Christ in the midst of extreme poverty and disasters calls for feeding the body as well.

The pictures below show how our hunger appeal offerings will increase our capacity to see that at least some of God's beloved sons and daughters will be fed. The ongoing pandemic has too often left many without work or funds to purchase basic food for survival.

We have worked with these partners in India for nearly 20 years. Our experiences with them assures us that whatever we give will be used as directed. We who are entrusted with much are called to give generously that others may simply live another day, week, month.

40% of your gift to our November Hunger Appeal will be given through New Hope Mission Society to extend the feeding ministries pictured here. Thank you for your generosity.

Desperate, hungry people are given a meal.

Pastors in need and their families are fed.

Upcoming Women's Events

The **annual meeting** of the Faith Lutheran Church Women (FLCW) will be held next Sunday, November 14, at 11:30 a.m. in the Faith Center.

Join the women of faith for appetizers, hot cider, a devotion, Christmas craft, and a brief business meeting to disperse the funds that were raised in 2021.

On December 11, at 2 p.m., there will be a **Christmas Tea**. This event is always a joyous time with good food and beautiful decorations. This year the program will include a depiction of women of the Bible. Tickets are \$10 and will be available at the annual meeting.

If you would like to decorate a table, please contact Carreen Pierson at 587-5602 by November 14.
