Lenten Confirmation Notes

During the season of Lent (March 2 – April 6), we have Wednesday services. Each confirmation small group will be in charge of pieces of our services. This includes reading, serving as acolytes, ushering, and being an extra presence during the services.

After each service, small groups will gather to discuss the service. There is no regular confirmation during Lent.

Services will be every Wednesday at 6:30 p.m., with small group to follow until 7:45 pm. If students are serving that service, they will need to arrive by 6:00 p.m. to check in with their leader and Kristen.

Lenten Series – FLY Night

We will take a dive into Holy Week during the six weeks of Lent and study Jesus' last days before He died on the cross for our sins. This would be a great series for youth to plug into!
