

Mount Carmel is offering 50% off a week of Family Camp or Elderversity 2024 to one lucky member of each Proclaimer Congregation!

Dear Proclaimer Congregation Members,

Mount Carmel has decided to do a massive giveaway for the 2024 Family Camp season! Why do this? Simple, we want to eliminate as many barriers as possible for families to take that first step to try out a week of family camp.

What are you giving away? Great question! We are giving one family from each proclaimer congregation 50% off their trip to family camp this summer! Even though, as a Proclaimer Congregation, you are already eligible to get 20% off family camp, we wanted to add a little more pizzazz to the table.

You can register for the giveaway by filling out the registration form below and turning it in to the church office or by using the QR Code below to go online and register before April 1.

You can find camp options by going to the Mount Carmel website at mountcarmelministries.com
