## Stewardship Corner

In I Chronicles 29, after all the materials for building the temple in Jerusalem had been gathered, King David led a long prayer of thanks to God that includes this insight. "All things come from you, and of your own have we given you.... All this abundance that we have provided for building you a house for your holy name comes from your hand and is all your own." That beautifully expresses the foundational conviction of Biblical stewardship, that God gives us all that we have and all that we are as gracious and generous gifts. The offerings we return to God are vital expressions of thanks to God that also remind us to credit God as the source of every blessing.
