Treasurer's Report:

- General Fund balance has been reduced by \$130,600 since the beginning of the year. We have used \$34,000 from the \$50,000 reserve balance to cover expenses.
- Special designated funds expense includes a payment to Youthworks for the 2026 mission trip and poinsettia payment prior to deposits being made.
- Building and Repair paid for Ansgar garage doors, Plunkett's annual service and the fall payment for geo-thermal system monitoring, which reduced the balance about \$2,900.
- The Leap of Faith capital campaign received approximately \$70,900 in donations and interest earned. A new CD will be opened in December.
- November reflects a net loss of \$6,900. Ministry for Benevolence includes disbursements approved at last month's council meeting from the Special Projects lines for both local and global.
